

# Checklist for Completing the Application

*(Applications will not be reviewed until all parts are received  
and files are complete)*

Thank you for applying to YAWM Las Vegas! May you know the Lord's grace as you seek His direction. In order for us to process your application, we must receive the following completed forms. Husbands and wives enrolling as students must complete separate applications. Continue to pray throughout this process and look for God to answer.

○ **Application Packet:**

This packet must be completed in full. Please be sure to fill out both the front and back of each page. Start now, it takes longer than you may think. Take your time; don't try to rush through it at once, or when you're in a hurry. Do it when you have time to think the answers through. Stick with it. Take a little bit of time each day. *Please include the requested passport-size photo.* These are often forgotten.

○ **Application Fee:**

Please refer to the Tuition Information Sheet (next page)

○ **Confidential Health Form:**

Start on these as soon as possible in case there is anything missing that your family or doctor would need to check into. This can take time and will be out of your hands to hurry along. Make certain everything is completely filled in on these forms. We need this information to be sure you are safe in the climate we live in, to determine what vaccines you may need for outreach locations and choosing appropriate locations should you have any medical needs.

○ **Consent Form:**

Please sign each section: the release of liability, consent for treatment, and burial statement. If you are a minor (under 18 years of age) please have your parent or guardian sign as well.

○ **Reference Forms (3):**

One of these forms is to be completed by your pastor/bible study leader/youth pastor, one by an employer or teacher, and one by a friend. Choose people who know you well and who can be objective. Please list their names, addresses and phone numbers under the 'Church Information' section of your application. We cannot evaluate your application without all of your references so check on them periodically if you know we haven't received their reference.

○ **Visas (for non-United States citizens):**

Upon acceptance into the DTS, YWAM will issue a letter of invitation for you to present to the embassy or consulate in your country to aid you in your application for a US Visa. DTS students are to apply for a B1 or B2 Visa. Our letter leaves the decision up to the officiating consulate for final determination. You should begin looking into the requirements for these visas as soon as possible. The process can take up to 6 weeks *after you have been accepted to the school.* Do not apply for your Visa until you receive your official acceptance letter and the letter of invitation from the DTS Registrar's Office. You cannot be approved for a Visa without it.

### Tuition Policies:

1. All payments must be made in US currency.
2. Each student is expected to send a \$500.00 deposit (\$1,000.00 for couples) as soon as possible after being accepted into the school to reserve their enrollment. 100% refundable if notified of cancellation at least 30 days and 50% refundable 15 days before the start date of the school. Cancellations less than 15 days before the school forfeit deposit.
3. There will be a \$50.00 discount for each student able to pay their tuition in full at least 30 days prior to the beginning of the school they are attending. This can be deducted from the \$2350.00 tuition fee.
4. The balance of tuition must be paid in full on registration day. Any student arriving without the full tuition fees will not be able to attend, unless prior approval was given by the school director (see policy #5).
5. Variations to these policies are rare and require approval from the school director. If you desire to apply for an exception, please contact the school director for help in developing a suitable proposal. A written copy of the arranged proposal must be submitted at least two weeks prior to registration day. If the financing source is other than the student (e.g. friend, relative, church, etc.) a letter from the source verifying the means of payment must be presented.
6. All personal expenses incurred while involved with YWAM Las Vegas are the responsibility of the student.

We look forward to your response and to providing the appropriate assistance as you apply to attend the Discipleship Training School.
